

KL 50 AL

Cold degreasing agent for the agrofood industry

Description

Universal degreasing agent for incidental contact with foodstuffs. Guaranteed chlorinated solvent-free, HCFC-free and ethylene-glycol free. Compatible with all metals and most plastics. KL 50 AL is registered by NSF International, in category K1. This indicates that it is authorized for use in incidental contact with food. (N°142221)

Applications

Elimination of greases, oils for food and food processing industries. Cleaning of mechanical parts in contact with sugar, jaws of bottling machines, crimping knurls, etc.

Technical data

Non-flammable propellant: CO2
