

STARNET+

Quick evaporating multipurpose workshop cleaner

Description

Spray cleaner with very strong solvent properties. Guaranteed chlorine-free, HCFC-free and ethylene-glycol free. Inert on rubbers and most plastics (test to be carried out before use). Dry surface condition after evaporation in a few seconds. STARNET+ is registered by NSF International, in category K1. This indicates that it is authorized for use in incidental contact with food. (N°162096).

Applications

For all degreasing operations on all metals where quick evaporation is required. Elimination of greases, oils and sludge. Ideal before gluing, painting and reassembly of parts. Cleaner for electrical contact usable off.

Technical data

Non-flammable propellant: CO2
