

PERF 80 NF

Synthetic fluid

Description

Fluorinated oil for extreme applications. Compatible with all types for metal. Long duration lubrication at very low or very high temperatures, as well as in corrosive chemical conditions. Colourless, non-staining product. MOSH-MOAH and POSH free lubricant. PERF 80 NF is registered by NSF International, in category H1. This indicates that it is authorized for use in incidental contact with food. (N°130671).

Applications

Mould-ejector lubricant. For lubrication or help with assembly for rubber / metal or rubber / rubber contact, for assembling watertight joints.

Technical data

Temperature resistance: -50°C to +270°C

Flash point: none

Non-flammable propellant
